

Dear Parent and Teacher,

Lincoln Park Soo Bahk Do promotes behavior and academics as much as the physical training and self-defense students are learning through our classes. We believe that a martial artist should also be a scholar and along with that an upstanding person in society. The core values of honesty, respect, courtesy, focus and discipline are of the utmost importance in our training and society in general. Considering that we stress these values in our classes, we expect each student to apply them in their everyday life; not just in class. The purpose of this process is to understand the development of each student and their needs. Should there be areas that need improvement they will be constantly reinforced. Please complete each of your sections as this is a requirement for rank advancement. Upon completion please submit this form back to myself. Should either of you like to discuss any issues in more detail please feel free to contact me at 734-552-1659 or e-mail me at jlockwood@lpsbd.com. Thank you for your time and effort to provide the best support possible in the positive development of our students.

Sincerely,
Joshua J. Lockwood
